

# OLEUM BAR

Working hours  
07:00 - 21:00

---

This is life. Slow down. Let the sun shine on you, listen to the water gently peeking into the beautiful pool on our first floor of the Amphora Hotel. Look at its shimmering blue reflection in the light and sea view. Such an environment is made up of delicious cocktails, top-quality drinks made by our bartenders that will make your time spent at the pool either with family, partner or friends unforgettable.
