### Trip Overview

An ideal way for fans of the Game of Thrones series to spend their morning or afternoon is on a private guided tour of Daenerys' throne & Mereen, locally known as the town of Split (Diocletian's palace) and Klis fortress. Diocletian's Palace is an ancient palace built for the Roman Emperor Diocletian at the end of the 3<sup>rd</sup> century, but avid fans will recognize many sights within the palace belonging to the former slave city of Mereen and numerous scenes with the mother of Dragons, Daenerys.

Tour the old town of Split with your private guide, visiting historical filming locations while getting inside scoop from a local expert. Continue with your guide and private chauffeur to the imposing Klis fortress nestled within steep cliffs high above Split. This tranquil but spectacular fortification was often referred to as the key to Dalmatia due to its extraordinary strategic location and was home to many Croatian Kings. From Klis fortress and the cliffs where Daenerys' dragons once stood, fantastic panoramic views reach far across the valley and Split city below.
