### Trip Overview

Join your private chauffeur & certified wine connoisseur on a delicious day of exploring rich Croatian wines, homemade delicacies and picturesque locations scattered along the Dalmatian coast. First destination is a boutique winery located in a small village near Split where you will enjoy tasting and learning all about the origins of Zinfandel, a direct descendant of the Dalmatian wine sort Crljenak Kaštelanski that is native to Kaštela. Afterwards, your driver will make a short stop to show you the magnificent Olea europaea monument of nature, a single olive tree that has been growing proudly for more than 1500 years! Continue along the scenic coastal road towards the hinterland of Krka National Park to visit a family run winery that has cherished the winemaking tradition for generations. Their indigenous grape varieties – Debit, Maraština, Plavina, and Lasina are grown 300 meters above sea level in a micro climate reminiscent of endless summer, before being carefully selected and picked by hand. Here you will enjoy an authentic meal of locally grown & produced delicacies paired perfectly with their distinctive wines. Before returning to Split, stop to explore and enjoy free time in Šibenik. This historical, fortified town is the oldest native Croatian town on the shores of the Adriatic Sea and the only town in Croatia that has not one but two UNESCO World Heritage Sites!
